SIGNIFICANCE OF RV UNIVERSITY (RVU) LOGO

प्रज्ञा: ★ धीरा:

The logo of RV University is based on three elements:

FIRSTLY, RVU provides a platform to sow a seed that gives you a fresh start towards a bright future.

SECONDLY, RVU is a place where you study to strengthen your knowledge and nurture the seed that you sowed.

THIRDLY, by nurturing the seed you turn it into a tree which becomes the reason for your growth.

The logo seeks to integrate these three elements seamlessly to signify education.

The Sun in the logo symbolises creation and ideas while the book symbolises knowledge and learning. The tree signifies growth and development

The Sanskrit word *Pragnaha* refers to a person who is a seeker of knowledge; wisdom or supreme knowledge or understanding; intelligence, intellect while *Dheeraha* refers to *jnan*, scholar, ocean (of knowledge), mountain, intelligent, clever, serious, constant mind, immovable and courageous.
