About RV UNIVERSITY

RV University (RVU) is a new-age University for liberal education based in Bengaluru. RVU has been established by Rashtreeya Sikshana Samithi Trust (RSST), which has over eight decades of legacy of excellence in higher education. RVU is a State Private University under the RV University Act, 2019. It has received all Regulatory approvals from the Government of Karnataka as well as University Grants Commission (UGC).

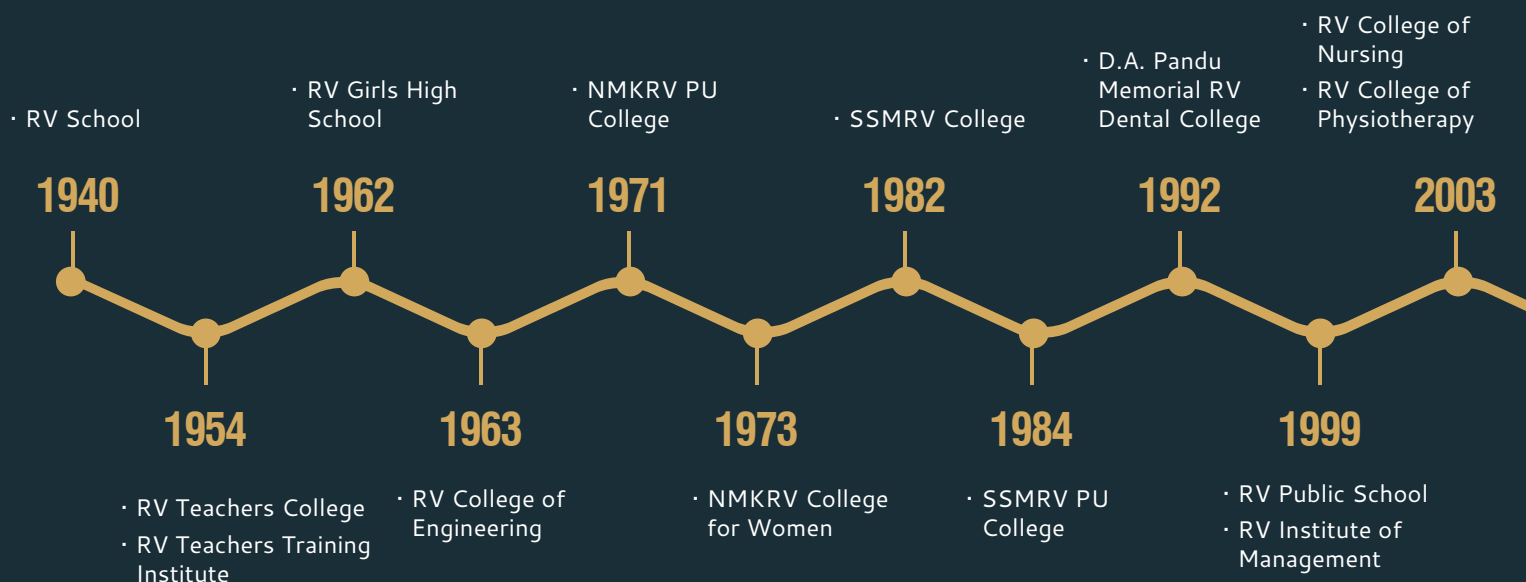

Vision

To be a world-class, tech-driven, global university for liberal education, empowering citizens of tomorrow.

Mission

- Strive for excellence in teaching, research, capacity building, community engagement and to build a reputation in the academic world as a thought leader in various disciplines; benchmark against top universities of the world.
- Use digital and other technologies relevant to teaching-learning process and to do advanced research.
- Creation of a vibrant and diverse community with faculty members and students hailing from different parts of the country and the world.
- Forge a large number of national and international collaborations to create learning opportunities and mobility for the students and faculty members.
- Make higher education accessible to all. Offer a multi-disciplinary learning environment in a diversity of knowledge streams and skills catering to the existing and emerging needs from a learner's context. To create a research rewarding environment that seeks and encourages inter-disciplinary expertise and institution building enterprise among faculty members, while consistently forging cooperation between global and Indian institutions of eminence.
- Expose students to the best of theory and practice.
- Evolve a diverse talent pool of informed, self-driven, empathetic & inclusive problem solvers.

School of Design and Innovation

Redefining Design Education

Established in 2021, the School of Design and Innovation is more than a teaching (and placement) machine. It is populated by learners and teachers who enjoy experimentation, inquiry, risk taking, and evidence-based research and decision making, who enjoy collaborative learning. We see design as ethical, inclusive, and democratic; and as an act, a product, an experience, and above all, a mindset.

The School of Design and Innovation is driven by

- An integrated approach to sustainability and caring for life and climate;
- The desire to play a central role in shaping discourse around transdisciplinary and inclusive approaches to design;
- The need to make sense of emergent knowledge paradigms and technologies in/for India.
