

School of Economics

INTROSPECT. ANALYSE. SOLVE.

About RV University

RV University (RVU) is a new-age University in Bengaluru, recognised by Government of Karnataka and University Grants Commission (UGC). It is a State Private University under the RV University Act, 2019. The University is managed by the Rashtreeya Sikshana Samithi Trust (RSST), that also runs 21 other education institutions, with the renowned legacy of excellence in higher education for over eight decades.

About the SCHOOL OF ECONOMICS (SoE)

Learning at the School of Economics (SoE) at RV University focuses on holistic education that creates critical thinking individuals with strong disciplinary understanding, broad perspective of issues and problems gained through multiple lenses, and hands-on experiences and skills to take on challenges and solve problems at the workplace and in real life. To facilitate such an education, the curriculum at SoE balances theoretical courses with courses that are based on practical applications, skills, and experiential learning. Students are encouraged to take up research, projects and self-study to stimulate their critical and analytical abilities and become independent thinkers and practitioners.

Come, explore the world at the School of Economics!

Perspectives: An entirely student-led activity, an inter-university panel discussion where students came from many universities, many disciplines across India to share their perspectives on important areas like AI and Gig Economy.

Distinguished Lectures and Book Talks: Students host and anchor events with eminent economists and scholars.

Debating Society and other Student Forums: Students organize and engage in debating, MUN and many other cultural and sports activities

From the Dean's desk

Dear students,

Welcome to the School of Economics at RV University.

As a part of a very vibrant campus at RV University, the School of Economics offers a holistic education that creates critical thinkers with a strong disciplinary understanding. As we launch our B.Sc (Hons.) and M.Sc programmes in Economics, we are excited to offer students a specialization in Data Sciences, Development Studies, Finance or Public Policy.

Cognizant of India's socio-economic position globally, the School of Economics stimulates an environment where students inquire into the real issues of development and gain insights through research, projects and self-study to stimulate their critical and analytical abilities to become independent thinkers and practitioners. With regular internship and capstone projects, as well as research dissertations, you get sound training to face placement interviews or present your research at national and international conferences.

Our team of experienced faculty at the School look forward to interacting with you and seeing you graduate as young economists who are ready to take on challenges and solve real problems in the real world. Come, let us change the world!

Dr. Pushkarni Panchamukhi
Associate Dean, School of Economics
