

Women Empowerment Cell

The cell's responsibilities include creating awareness about women's rights, providing a platform for discussion, promoting professional and personal development through various activities, and ensuring a campus free from injustice and harassment. The cell should be composed of a senior female faculty member in charge and student representatives.

Composition of the Committee:

Sl. No	Name	Position
1.	Dr. Baishali Garai, Associate Professor, School of Computer Science & Engineering, RV University	Chairperson
2.	Ms. Purnima S, Executive, Exam Office, RV University	Member
3.	Ms. Varunika, Student Representative School of Computer Science & Engineering	Member
4.	Ms. Sneha, Student Representative School of Business	Member
5.	Dr. Priyanka Suresh, Assistant Professor, School of Business	Member Secretary

Key objectives

- Prevent harassment: To protect female staff and students from all forms of sexual harassment and injustice.
- Raise awareness: To educate the university community about their legal rights and duties concerning women's issues.
- Provide a platform: To offer a space for women to share experiences and views on their status in society.
- Promote development: To facilitate the holistic personal and professional growth of women through guest lectures, seminars, and other welfare activities.
- Create a safe campus: To ensure a healthy, friendly, and secure environment for women to study and work.

Core functions and activities

- Conducting awareness programs and gender sensitization sessions.
- Organizing guest lectures on topics related to women's health, nutrition, and legal rights.
- Supporting skill development and leadership training for women.
- Celebrating events like International Women's Day.
- Providing a mechanism for redressal of grievances related to women's issues.

Regular meetings: The committee should hold formal meetings at the start and end of each semester to plan activities and review their effectiveness.
