Message from the Dean

Dear Students and Parents,

The School of Law offers undergraduate programmes in B.A. LL.B., B.Sc (Hons.) LL.B. and BBA LL.B., along with a postgraduate programme in LL.M. All programmes are fully compliant with the Bar Council of India (BCI) Rules of Legal Education.

In collaboration with other schools at RV University, students have access to a wide range of interdisciplinary courses that offer diverse perspectives on legal issues and strengthen critical and analytical thinking. Students also have opportunities to engage with research centres, student clubs and academic societies, fostering holistic learning beyond the classroom.

Dr. Sujata Bali
